

TABLE OF CONTENTS, VOLUME XXVIII.

EDITORIAL.

EUROPEAN CHRONICLES—I, 113, 211, 313, 409, 507, 621, 711, 797, 909, 993, 1111	Colics in Horses and their Causes 510
Von Behring's Method of Im- munizing Against Tuberculo- sis 1	A Silly Article from an Eng- lish Journal 513
Marmoreck's New Polyvalent Serum and "Gourmine"..... 3	The Question of Immunity of Bovines toward Glanders.... 621
Tincture of Arnica..... 5	Uniform Veterinary Title for Germany 623
Prof. Dieckerhoff's Death..... 6	Rabies 625
The Nocard Subscription..... 7	Epizootic Lymphangitis 627
Radium! Radium!! 113	Laurent Leopold Trasbot..... 627
The Curability of Glanders with Mallein 116	A New Method for Caudal Myotomy 711
A New Suture Needle..... 118	Pathogeny of Osteo-Arthritis.. 712
Personal Notes 119	Koch's Theory Exploded by the Findings of the Royal Com- mission 715
An American Veterinarian Honored Abroad 211	Honors for American Veteri- narians 717
Advance in the Curative Treat- ment of Tuberculosis..... 212	Accoutumancy from Repeated Tuberculin Injections 797
Difficulties of Veterinary Rec- ognition in England..... 213	The Discovery of Rabid Im- munity 799
A Valuable Veterinary Vade Mecum 215	Infectious Anæmia of Horses.. 800
The Mutual Benefit Associa- tion 313	Protection for the Hands in Operations 801
The Physiology of Crib-Bit- ing 314	Some European Veterinary Schools 802
The Diploma in Hygiene—The Edinburg School to Remove to Liverpool 316	Last Word on Distemper Vac- cination 909
Relation of Veterinarians to Animals 318	Immunization against Tubercu- losis 911
"The Nocard Treatment" of Glanders 409	"A Miracle of Nature"..... 913
Babés' Conclusions upon Mall- eination 409	"Needed Reforms" in Veteri- nary Education 993
The Proposed Removal of the "New" Veterinary College to Liverpool 411	Opening Addresses at Veteri- nary Colleges 995
Stringent Rules Against the Importation of Rabies into England 412	Concern of the Profession for the Work of the Schools.... 997
The Mutual Benevolent Asso- ciation 413	The Use of Manequins to Illus- trate Obstetric Teaching.... 999
Literature Received..... 414	The Feeding of Molasses and Molassed Foods to Horses..1000
"Doping" or "Dopping"..... 507	Eighth International Veteri- nary Congress at Budapest, 19051002
The Use of Cocaine as a Di- agnostic for Lameness..... 508	Manifestations of Strangles...1111
	The Effects of Repeated Mal- lein Injections1113

A Scientific Test of the Endurance of the Horse	1115	"Hæmorrhagic Colitis of the Dog"	631
Literature Received	1118	Local Associations Resume Their Work	632
The St. Louis Meeting of the A. V. M. A.	7	Opening of the Colleges	632
The Automobile Discredited by its Friends	10	Veterinarians for Veterinary Work	717
"Veterinarian and Scholar"	12	Magnificent Endowment for Veterinary Education	719
Prof. A. Liautard	12	Plagiarism with a Vengeance	720
Naso-œophageal Intubation	120	The "Veterinary Journal" (England)	721
The Annual Fiasco at Albany	121	Prof. Leonard Pearson Becomes a REVIEW Collaborator	721
"Quarterly Bulletin of the California State Veterinary Medical Association"	123	The Veterinary Correspondence School	803
"Teratology of the Hyo-Mandibular Gill-Slit in the Horse"	123	Dr. Williams' Account of the Clinics of the New York State Society	804
Our National Convention at St. Louis	216	Dr. Hughes' Contributions to the REVIEW for 1905	805
Epidemic of Tuberculosis Among Street Sweepers	219	The Veterinarian and Animal Husbandry	914
Oxygen as a Cure for Milk Fever	219	The Reliability of Mallein	916
The Work of the B. A. I. Appreciated	319	Work of the Bureau of Animal Industry	917
The Existence of Rabies	321	Cleveland Gets the A. V. M. A. Meeting of 1905	1003
Army Veterinarians	323	The "Question Box" at the Local Meeting	1005
The Last Word Before St. Louis	414	Subscribers to the REVIEW	1006
Naso-œophageal Intubation	417	Two Valuable Illustrated Cases	1007
The Great Meeting of Veterinarians at St. Louis	514	The Army Veterinary Department	1007
Unite for a Better "Review"	517	Connecticut and Maine Seeking Legislation	1007
The New York State Meeting	519	A Refreshing Evidence of Sanity	1120
"The Western Veterinarian"	519	Addresses at Opening of Veterinary Colleges	1123
Dr. A. Liautard	519	The Banquet to Dr. Law	1123
Dr. G. E. Nesom	520	"The Value of Meat Inspection to the Public Health"	1124
Surgical Clinics at the A. V. M. A. Meetings	628		
Louisiana to Have a State Veterinary Medical Association	630		
The Bureau of Animal Industry Exhibits at St. Louis	630		
Dr. N. S. Mayo Goes to Cuba	631		
Surgical Dexterity at the St. Louis Clinic	631

GERMAN REVIEW—

Contribution to the Therapy of Hæmoglobinæmia of the Horse	49	of Chronic Gonitis in the Horse	277
Expulsion of the Fœtus After Death	49	An Experimental Study of the Action of Suprarenin on the Organic Tissues, and its Ac- tion in Surgical Operations..	278
Concerning the Effects of Feed- ing the Milk of Tuberculous Animals	50	The Staining of Some Bateria in Tissues which are Diffi- cult to Stain.....	278
Drying Food in High Temper- ature and its Influence on the Digestibility of Raw Pro- teins	50	Contribution to the Question of the Presence of Tubercle Bacilli in the Milk from Re- acting Cows.....	468
Localization of Tuberculosis Among Meat Cattle in Mos- cow	51	The Application of Brain Sub- stance Subcutaneously in Tet- anus	469
The Application of the Silver Preparations of Credé in Ophthalmic Cases.....	157	Carcinoma of the Bladder in a Horse.....	469
The Treatment of Septic Af- fections with Injections of Collargol	157	Negri's Producer of Rabies...	470
Recoveries from Spinal Menin- gitis in Dogs with Eserine- Pilocarpine Injections.....	157	The Treatment of Hæmo- globinuria in Cattle.....	571
Intermittent Lameness in a Horse Due to a Compression of the Pelvic and Femoral Arteries	277	Tallianine.	572
A Case of Malignant Œdema in a Horse.....	277	Tuberculosis of Men and Cat- tle	573
Contribution to the Diagnosis		Actinomycosis in the Dog....	574
		Third Report of the African Coast Fever.....	963
		Experiments with Endovenous Sublimate Injections in the Horse	965
		Iodide of Potassium in Peri- odic Ophthalmia.....	965

The Application of the Infusion of Valeriana in Colicky Affections	965	Subcutaneous Angioma Cavernosum in a Dog.....	566
Directions to the Chemical Diagnosis of Urine Examinations in Veterinary Practice	1180	Intrathoracic Fibro-Sarcomatous Tumor Complicated with Œsophageal Ectasy and Pleuro-Pneumonia—Death ..	567
A Case of Amputation of the Uterus	1181	The Prognosis of Complete Fracture of the Ribs, Without Displacement.....	568
A Nail in the Lung Tissue.....	1181	Peculiarities Observed During Castrations of a Fox and of a Cat.....	676
The Combating of Tuberculosis in Denmark.....	1182	Cerebral Tuberculosis in a Cow	676
FRENCH REVIEW—		Fracture of the Tibia due to Traumatic Osteo-Periostitis of Long Standing in a Horse.	677
Secondary Suppurative Myositis in a Horse—Generalized Pyæmic Infection—Death	279	Foreign Body in the Œsophagus near the Pharynx in a Horse—Good Results from Pilocarpine and Eserine....	677
Rupture of the Bladder in a Slut	280	Curious Case of Heredity of Cataract in a Dog.....	678
Cerebral Tumor in a Horse... ..	281	Therapeutic Effects of Caffeine.	678
Acute Cerebral Congestion in a Horse.....	282	Notes on the Treatment of Summer Sores by Antiseptic Subcutaneous Injections —Curious Recovery after one of Antistreptococcic Serum..	679
Ossifying Spinal Pachymeningitis of Dog.....	283	Abnormality in Molar Teeth of a Horse.....	1058
A Case of Chorea in the Horse	284	Acute Osteomyelitis of the Femur and Tibia in a Horse... ..	1058
Congenital Absence of a Kidney—Cryptorchidy of the Opposite Side in a Steer.....	284	Abnormal Growth of a Horse, Accompanied by Acute Osteomyelitis	1059
Temporo-Maxillary Arthritis..	380	Rupture of the Heart After a Fall	1060
Encephaloid Sarcoma of the Testicle in a Horse.....	381	Sensations in Bovines.....	1061
Hæmorrhage of the Bulb and Cerebellum in a Dog.....	381	Double Rupture of the Gemelli of the Tibia in Both Legs... ..	1061
Dental Duplicity—Two Inferior Dividers United.....	381	Creosote Tracheal Injections in Gangrenous Pneumonia.....	1062
Spasms of the Throat due to the Presence of a Hair in the Pharynx.....	382	ITALIAN REVIEW—	
Rupture of the Right Cardiac Artery	382	Lameness of the Shoulder and Ointment of Garlic.....	51
Paralysis of the Radial Nerve in a Cow.....	383	Longevity of Animals.....	52
Canalization in the Intestine of an Ovarian Abscess—Death by Intestinal Strangulation..	383	Perforation of the Œsophagus by Foreign Body—Quick Fatal Termination.....	52
Interesting Case of Cancerous Abdominal Cryptorchidy....	564	Pseudo-Membranous Diarrhœic Enteritis in a Steer.....	53
Recovery of a Voluminous Chronic Inguinal Hernia, Operated by the Method of Felizel	565	Prolapsus of the Uterus—Amputation—Recovery	53
Right Pelvi-Crural Hernia in a Steer.....	565	Cystoplegia and Chronic Ulcerative Cystitis in a Horse..	54
Simple and Practical Way to Make a Cow Get Up.....	566		

Filaria Labiato-Papillosa in the Small Intestine of a Steer...	55	the Penis in Horses.....	873
Mare, Mother of Two Mule Twins	55	Osteo Chondro-Sarcoma of the Forearm in a Dog.....	874
Fistulous Fracture of the Lower Jaw Opposite the Right Interdental Space.....	158	A Case of Idiopathic Epilepsy in a Bovine.....	874
Upon Umbilical Hernias.....	159	Short Practical Observations..	1176
Contagious Catarrhal Metritis in Milch Cows.....	159	Onicomycosis in Animals	1176
A Case of Polydactyle.....	160	Gutta-Percha in the Treatment of Onicomycosis	1177
Dermoid Cyst of the Shoulder of a Mare.....	161	Case of Pseudo-Tuberculosis in a Buffalo.....	1177
Clinical Obstetric Observations	161	Diagnosis of Rabies by Nelis' Method	1178
Transmission of Rabies During the Period of Incubation	465	Cerebral Manifestations in Anthrax	1178
Traumatic Pericarditis in a Ewe	465	A Case of Drunkenness in a Horse	1179
Renal Calculi in a Sow.....	466	ENGLISH REVIEW—	
Two Cases of Lockjaw Treated and Recovered with Subcutaneous Injections of Carbolic Acid (Baccelli Method)	466	A Case of Fracture of the Pyramidal Eminence of the Os Pedis (Buttress Foot).....	376
Meat Inspection at the Market of Trieste.....	467	An Outbreak of Venereal Disease in Sheep.....	376
Cysticerci in the Liver of a Lamb	467	A Contagious Disease of the Generative Organs in Sheep	377
Two Peculiar Cases of Mercurialism in Bovines.....	468	Epizootic Lymphangitis in England	377
A Remarkable Case of Fœtal Distokia due to an Enormous Condition of Anasarca of the Fœtus.....	672	Fracture of the Os Suffraginis After Neurectomy.....	378
A Double Attack of Lockjaw..	672	Three Cases of Rupture of the Heart	379
A Calf Heifer with Six Legs..	673	Sarcoma of the Penis in a Dog —Amputation	379
Hydrometra in a Cow Simulating Pregnancy.....	673	Fractures of Bones of the Hock	462
A Case of Abnormal Retention of the Fœtus in a Cow..	674	Tooth Tumor in a Steer.....	462
Laceration of the Vagina During Coit—Protrusion of the Intestine—Recovery	674	Multiple Uterine Myomata in a Cow.....	462
A Case of Buccal Atresia in a Calf	675	Lumbar Tuberculosis, with Fracture Following in a Heifer	463
An Epizootic Outbreak of Paronychia Gangrenosa.....	871	An Enormous Tumor.....	463
Tumors in the Stomach of a Steer	871	Swallowing Placental Membranes	464
